## Test Character

---

*“Use this macro for large quotes of prose and such. It justifies everything like a paragraph, except with no indentation.”*

– The Author

*“This macro is good  
For shorter quotes  
Or things like song lyrics:  
It centers.”*

– The Author

TODO: This is a test character sheet. :TODO

Your friend from out of town, Sir Robert Not-Appearing, called you up one morning about a week ago. Sir Not-Appearing told you to meet up with this person named Nate, whom you’ve never met. Nate, whose full name is Nathan Clueless III, is supposed to be really awesome and have a package for you.

That bears repeating: Nate, whose full name is Nathan Clueless III, is supposed to be really awesome and have a package for you.

Sir Not-Appearing is a pretty good friend. He used to be your college roommate. When he called you up, you were pleasantly surprised to hear from him.

Lots of people think your name, Test Character, is funny. You’re not sure why; you think it’s a fine name.
